Conduct Expectations

- The front desk staff is not responsible for watching your children or keeping them quiet so as not to disturb classes in progress. We do have coloring books and few toys for children to play with, but please bring a quiet activity for your children if this will not hold their attention.
- Please no entering the dance rooms while class is in session. The teachers do their best to start and end classes on time. If you have a concern, please address it with Katie at the front desk.
- NO OUTSIDE SHOES in the dance rooms. It is important that your dancer have shoes that are only worn for dance or inside in order to protect the dance floor surfaces. If dancers wear outside shoes they will be asked to dance in their socks or bare feet.
