CLASS DESCRIPTIONS/LEVELS

Mommy/Daddy & Me: You and your child can share the love of dance. We will focus on large motor skills and play pretend! We focus on taking turns and following directions. Young dancers must be 12 months by September 15.

Itty Bitty Ballet: Your 2 year old is ready for class independent from Mom and Dad! We work on beginning ballet skills, large motor skills, and following directions. Summer session includes tumbling skills at the end of class!

Bitty Ballet: Your 3 year old is ready to learn ballet. We will focus on beginning ballet skills, large motor skills and following directions. Dancers must be potty trained.

Tiny Tutus and Tap: This class is a combination of ballet and tap for our 4 year old dancers. The class will focus on ballet and tap skills as well as large motor skills and following directions

Tiny Hip Hop: Fun new moves and dances for your 4 year old. Your dancer will focus on hip hop basics and dance to fun music.

Mini: This open level class is generally for kids entering grade K-2nd and the focus of each class is on technique and combos.

Junior: This open level class is generally for kids entering grades 3-5 and the focus of each class is on technique and combos.

Teen: This open level class is generally for kids ages 11-13 and the focus of each class in on technique and combos

Senior: This open level class is generally for kids ages 14+ and the focus of each class in on technique and combos.

Pointe Class: Dancers will use their ballet foundation as they develop their technical skills on pointe.

Strength & Flexibility: Think you could improve your strength and flexibility? You're right! Take our strength and flexibility class and see how the rest of your dancing improves. Open to all ages and levels.

Jumps/Leaps/Turns: Improve your technique to master your pirouettes, leaps and jumps in this focused class.

Tumbling Classes: We have a variety of classes and levels for tumbling. Please let us help you find the best fit for your tumbling needs.

MUV Method: Go above and beyond with this effective conditioning made specifically for dancers. Gain flexibility and strength.
