FROM JACQUE-

Season 15!

This is a big one to wrap my brain and heart around. As a studio, I now officially have graduating students who began alongside me when I first opened Inspiring Dance. In so many ways, we've all grown up together. And to add to the weight of this week, we are debuting our first alumni dance-bringing many past iD faces back to our stage. While our studio has grown and evolved over the years, what remains constant is the joy of dancing together with lifelong friends who feel like family.

A huge thank you to all the families that have chosen Inspiring Dance! We don't take that lightly, and we are so grateful for the opportunity to teach your children. We know you'll love watching them shine on stage. They've worked hard for these moments, and we appreciate the support you give that makes their dancing dreams possible.

To our incredible student helpers, Laila Artist, Finley Brown, Jaelynn Clark, Sloane Clark, Jaylee Cooper, Sydney Cruzen, Jordyn Green, Emily Hartman, Ella Herrera, Sydney Houghton, Gwen Jensen, Zaylee Klehn, Emory Knapp, Claire Legler, Cate Miller, Kate Ramaekers, Emerson Raushel, Evyn Ringena, Lexie Ripperger, Addison Robertson, Addie Sabus, Brenna TeKippe, Avery Uitenbroek, Alaina Winterboer-Thank you for ALL that you do! You make a tremendous impact on our dancers, and your hard work and genuine care are so appreciated!

To our amazing teaching staff, Taylor Bohannon, Alex Cordes, Sydney Fischer, Ashley Fisher, Stephanie Gerlitz, Tara Honkomp, Sarah Jeffries, Nicole Jennett, Amanda Judas, Rachel Kelly, Haley Lauterbach, Megan McAllister, Corbyn Paup, Sarah Rien, Justyn Sharp, Grace Winders-Thank you for all that you pour into our students! Your passion for dance and teaching helps inspire each dancer. You make a difference, and you are all such an essential part of what makes Inspiring Dance special.

To Alex Cordes, Hannah Edwards, Tara Hartman and Rachel Kelly-I appreciate all the hard work, attention to detail, but most importantly the care you give to ensure every dancer and family feels seen and supported.

To our graduating seniors, it has been an honor to be your dance teacher! Over the past few months, I've caught myself watching you dance, and feeling like time somehow tricked me. For just a blink of a moment, I can see your former selves-flashes of your childhood, countless fun and exciting experiences and tough moments that helped shape who you are becoming. Through all of those memories, I want to say thank you! Thank you for being part of Team iD, for letting me watch you grow up, and for allowing all of us to be part of your lives. Thank you to your families for supporting your dreams and your love of dance. As you step into your next chapter, I hope you carry the memories of your time at Inspiring Dance close to your heart. And never forget, you can always come home and dance!

To my own family, as always, thank you for sharing me with so many other families! Thank you for always supporting me and allowing me to do what I love. I love you endlessly!

SENIOR BIOS

Sloane Clark

My name is Sloane Clark, I am 18 and Homeschooled. I've been dancing since the age of 4 and started dancing at Inspiring Dance at 11. I'm planning to work at iD after high school.

I would never be able to choose just one memory I've made at iD as my favorite. Every moment I've had at Inspiring Dance has impacted me so greatly that choosing just one would overlook the rest. I've learned much from being at iD, like how to be professional, be a role model, and how to work hard and enjoy life with my teammates, but most importantly Inspiring Dance has taught me who I am. I hope you all know how amazing and important you all are, from parents, teammates, teachers, and staff, because of you, Inspiring Dance is the home that it is. I will forever be grateful for the opportunity that I've had to be a part of this family, and because of it, I've never felt more at home.

Jordyn Green

Hello, My name is Jordyn Green! I am seventeen years old and I graduated from Dallas Center - Grimes High School. I have been dancing since I was three years old! After high school I plan to attend Iowa State University to major in Psychology and be a member of the Iowa State Dance Team.

I have made many memories at Inspiring Dance that will last me a lifetime. One of my favorite memories is "circling up" before our final recital performance. It is a true representation of who we are as a team and always reminds me how special Inspiring Dance is and how grateful I am for each and every person on our team. One of the biggest things I have learned from Team iD is how important teamwork and the culture you build on a team is. Over the years we have focused on the different ways we can improve our team dynamic. The trust in one another and also the connections we have with each other is something you can't find anywhere else. This is what makes

this team so special, different and family-like, because of how close and culture-oriented we are. These past years at Inspiring Dance have been a dream come true. I found my best friends that will last me a lifetime while also finding my love for dance. I am beyond grateful to have been able to be a part of something so special and different from any other place. I have so much gratitude towards each and every family and person on this team.

Quick thank you to my parents for the continuous support, love and for always being my number one fans over these past 17 years. Without them I wouldn't be where I am today! I love you mom and dad! This is the hardest and most dreaded goodbye and chapter to close. I can't believe this moment has come.

Alexis Peterson

My name is Alexis Peterson, I am currently 18 and graduated from Johnston High School. I have been at Inspiring Dance for about 7 years now, but have been dancing since I was 4. I will be attending the University of Iowa in the fall to study Environmental Policy and Planning.

My favorite dance memory is always recital week, I love spending the time with my friends and just getting to do what we love in a lower pressure environment. Team iD has taught me the value of hard work and uplifting my teammates. I am forever grateful for team iD and will miss dancing with my friends!!

Adelyn Platt

Hi! I'm Adelyn Platt, I am 18 years old and I am a graduate from Des Moines Christian. I have been dancing at Inspiring Dance since I was 3.

Next year, I will be attending the University of Iowa to major in speech and hearing sciences and my hope is to go to graduate school to pursue speech pathology. One of my favorite memories that I have from all of my years at the studio is all the dance competitions that we have had throughout the years! It was always so much fun being with friends all weekend and being up early and staying up late together. We always found fun in everything that we did. One thing that I have learned from being part of Team iD is how important it is to have friends who help you through all the tough challenges of life. I also am so thankful for all the teachers who have poured into me at the studio!

Kate Ramaekers

I'm Kate Ramaekers and I'm 18 years old. I graduated from Johnston High School this year, and I've been dancing since I was 4 years old. Next fall I'm going to the University of Iowa to major in Human Physiology and minor in Psychology on a pre-medical track.

My favorite iD memory is bursting into random songs (especially the National Anthem) with my teammates and singing really, really badly. Also going to Culvers during tap with my class and being a little late to ballet was really funny...Thank you, Jacque!! During my time being a part of Team iD I've learned to manage my time well and balance my life with things that are important to me. I've also learned to work hard and challenge myself with new or difficult things. Being a part of Team iD has also grown my leadership skills especially my senior year.

Inspiring Dance will forever be a home for me and my team truly is a second family. I love you all so much and you've shaped me into who I am. Thank you!

Lexie Ripperger

Hi, I'm Lexie Ripperger! I'm 18 years old and just graduated from Waukeet Northwest High School. This fall, I'll be heading to the University of Iowa to major in Computer Science.

I've been dancing at Inspiring Dance since I was two years old, and it's been a huge part of my life ever since. I've made so many memories here that I'll carry with me forever. It's impossible to choose just one favorite; every moment with my team is something I'll always cherish. Some of the best memories are the late-night practices where we just get to dance and be together, and all the fun outings, especially our ice cream runs! Inspiring Dance has always felt like my second home. Over the years, I've learned so much, not just about dancing, but about working hard, staying dedicated, being a leader, and putting passion into everything I do. Dance has helped shape me into a better student,

friend, and role model, and I truly wouldn't be who I am without it. What makes this place so special is the love and support that fills it. It's more than a team, it's a family. I'm so thankful for the support I've received, the amazing friends I've made, and the memories I'll never forget. Thank you to my mom, dad, and Kyler for always cheering me on and being my biggest fans. And to the future seniors: enjoy every second, because it goes by faster than you think. Finishing this chapter with the team I love is the best way I could imagine saying goodbye.

Addison Robertson

My name is Addison Robertson, I'm 17 years old, and I recently graduated from Des Moines Christian. This fall I'll be attending Creighton University to pursue a degree in nursing.

I've been dancing at Inspiring Dance since I was three years old, and one of my favorite memories is spending long days at competitions—laughing, bonding, and performing alongside my best friends. One of the most valuable lessons I've learned at Inspiring Dance is the importance of perseverance during tough times and having the confidence to step outside of my comfort zone. I'm incredibly grateful to have been part of such a supportive and loving team, and I will always cherish the time I spent here.

Katie Rush

Hi, my name is Katie Rush. I'm 19 years old, and I've been dancing since I was three. This fall, I plan to attend the University of Missouri to major in Psychology.

Dance has always been a constant in my life—there for me during the easiest of times and when life felt its most chaotic. Some of my favorite memories at Inspiring Dance are the team bonding activities, especially playing The Great Wind Blows. This studio has surrounded me with some of the most supportive people I've ever met—friends who feel like family and teachers who have shaped not just the dancer, but the person I am today. I'm so grateful for every moment, and I wouldn't trade these memories for anything.

Miranda West

Hi! My name is Miranda West. I'm 18 and recently graduated from DCG High School, and I've been dancing for 13 years. I plan on pursuing a career in art, most likely graphic design, and I will also continue studying French.

My favorite memories would have to be all the finales I've done. The amount of teamwork and joy when everyone dances together to finish off a dance season is a feeling like no other. Inspiring Dance has taught me a lot about dance as a whole, but I think my biggest takeaway is the ability to push yourself and do things you never thought you could do. Through encouragement and teaching, I've learned how to do a number of things that seemed impossible. Thank you iD for teaching me that the impossible isn't always impossible.
