From Jacques-

Sweet 16, here we are! As always, thank you to all the families who have chosen Inspiring Dance as your dance home. We are who we are because of the people we get to work with. I read recently that you sign your child up for dance at a young age, thinking they will learn something new. Through time spent together in the lobby and the classroom, connections and relationships develop for many dancers and families, leading to lifelong friendships. It's a pretty cool thing to think about. I know so many of our graduating seniors and their families share that story. Beyond that, this holds true for many of our staff. Watching former dancers become teachers or staff and seeing them pave their own way creates a whole new type of pride in the community we've built. What you'll see on stage this weekend is a reflection of teamwork. A number of people have helped make this possible!

To our student helpers, thank you for all the support you give to your students. There's not enough Hyper to let you know, you are SO appreciated-thank you!
Addie Sabus, Alaina Winterboer, Avery Uitenbroek, Brenna TeKippe, Cate Miller, Claire Legler, Ella Herrera, Emerson Raushel, Emily Hartman, Emory Knapp, Evyn Ringena, Finley Brown, Gwen Jensen, Jaelynn Clark, Jaylee Cooper, Kennedy Wilgenbusch, Laila Artist, Lydia Nuss, Madison Manternach, Macy Hartman, Mia Dirksen, Miriam Dvorak, Olive Stoeffler, Peyton Meimann, Sydney Cruzen, Sydney Houghton, Zaylee Klehn

To our staff, thank you for the time, attention and care you give to Inspiring Dance students! You make such a difference and are appreciated!
Taylor Bohannon, Sloane Clark, Alex Cordes, Hannah Edwards, Sydney Fischer, Ashley Fisher, Justyn Giudicessi, Tara Honkomp, Sarah Jeffries, Nicole Jennett, Amanda Judas, Rachel Kelly, Haley Lauterbach, Corbyn Paup, Sarah Rien, Haley Ruden

Alex, I couldn't possibly put into words my thanks to you. I would need more than a few sentences in our recital program to adequately honor you and your work. I know the work is literally endless, the spreadsheets keep coming, and the new design I ask for on a whim is always looming. Beyond the constant ebb and flow of work, I hope you know the imprint you've made on Inspiring Dance. You ensure dancers, staff and families feel seen and heard. You will forever remain etched in the culture we've built together.

A special shoutout to the production moms that make actual magic happen backstage-thank you for your time!
Thank you Emmalee Vierling, Heather Blair, Holly Cooper, Jenni Cloos, Katy Niehus, Rochelle Wilgenbusch, Shannon Bennett, Tara Honkomp

To my graduating seniors, it's been a joy to watch you grow up, to see you start down your individual paths of who you want to become. I am so proud of you and the work you've put in over the years. I hope you carry with you the many lessons you've learned along the way and remember you can always come home to dance!

To my family, as always, thank you for sharing me with so many others, and supporting me in pursuing what I love to do. I love you most!

Special Thanks To

Sarah Bendy, Barb McMenamin, Kathy Randall - Custom Costuming and Alterations
Chris Hill - Recital Lighting and Videography

Senior Bios

Jeffrey Becker

Hi! My name is Jeffrey Becker and I recently graduated from Johnston High School. I have been dancing for 13 years and I have danced at iD for 9 years. After high school, I plan to attend the University of Northern Iowa to study Marketing.

My favorite memory from dancing here is being able to spend time with such caring and kind people who really inspire me to strive for success. The biggest thing I've learned in my time here is to be strong, and have trust and faith in myself.

Reagan Brimeyer

My name is Reagan Brimeyer and I recently graduated from Waukee High School. I've been dancing for 11 years. In the fall, I plan to attend the University of Iowa to study human physiology on a pre-med track.

One of my favorite things about being a dancer at iD is being able to spend time with my friends every week. I am grateful for the confidence I have gained from performing on stage with my team at iD.

Macie Brown

Hi! My name is Macie and I recently graduated from Johnston High School. I'm 18 years old and this is my 13th year dancing. Next year, I plan on majoring in Nursing at the University of Northern Iowa.

My favorite memory at iD was being back in the studio for the very first time after COVID lockdown. Even though we were still stuck dancing in our taped squares I remember seeing us all in sync in the mirror and something about it was so beautiful and meant so much to me. Something I've learned from being a part of iD is how special it is to be part of a team, and how your time together is something to never take for granted. Getting to dance alongside both of my sisters for so many years has been such a blessing and I'd stay here with them forever if I could.

Emily Hartman

My name is Emily Hartman, I'm 18 years old and a recent graduate of Johnston High School. I've been dancing for 15 years and plan to attend Iowa State University next fall, majoring in agronomy.

My favorite iD memory is watching Sydney practice for her improv competition during our first time at PAC, and then witnessing what it turned into on stage. Being part of team iD has taught me the value of hard work, and what comes from setting your mind on a goal. It's also shown me what it means to be a team, building some of my closest friendships. I'm forever grateful that iD is where I chose to dance.

Sydney Houghton

My name is Sydney Houghton, I am 17 years old and currently attend Johnston High School. I've been dancing for 13 years, and I am going to the University of Iowa to study neurobiology on the pre med track next year.

My favorite iD memory is laughing and dancing for hours with my friends before awards at our first PAC competition (also the teachers coming in and seeing us). Through dance I have learned how to be a leader and great teacher to younger kids, but also appreciate the time I have with my best friends. I can't believe that I am a senior, but I am so grateful for my time spent at Inspiring Dance with my dance family!

Claire Legler

My name is Claire Legler, I am 17 years old and I have been dancing at Inspiring Dance for 8 years. I recently graduated from Urbandale High School and am attending Iowa State University in the fall to study Elementary Education.

My favorite iD memory is when we watched our competition critiques in Jacqué's office when she bought us pizza! I loved meeting so many people and finding a place at iD where I can dance with my friends. Even though I'm no longer going to be competitively dancing, I will always cherish the memories I have made dancing at Inspiring Dance.

Cate Miller

Hi! My name is Cate Miller. I am 18 years old and I recently graduated from Waukee Northwest High School! I have been dancing at Inspiring Dance for 15 years! In the fall I plan to attend the University of Missouri and major in Nursing.

I have many memories from all my years at iD so it is hard to narrow it down, but one of my top ones is when our whole team surprised Jacqué with a sleepover at her house. We all showed up unannounced and spent the whole night watching old recitals and spending time with each other. Not sure Jacqué loved us showing up unannounced, but it sure was fun!

Most of my biggest life lessons I have learned have been from Inspiring Dance. One of the best things about being a part of this team is it teaches you much more than just how to dance. One of the most important things I have been taught at iD is how important it is to be there for each other and show up for your team no matter what. The best thing about our studio is we are always there for each other and supporting everyone on the best days and even the worst. No matter what was going on we showed up and supported each other. As I move on into my next journey, I will always take that with me because I have learned how important it is to be there and support people you love.

Team iD has forever been a part of my life and I am so thankful that I have gotten to be a part of something so special for as long as I can remember. Thank you to everyone who has supported me along the way. Team iD for life!

Lydia Nuss

My name is Lydia Nuss and I am 17 years old. I am a recent graduate of Waukee Northwest and I have been dancing for 13 years. I plan on attending Iowa State University to study marketing and business management.

My favorite iD memories are my first competition with iD and getting to dance with my friends every week, especially the team hangouts and holiday activities. While being on Team iD, I have learned to push myself to my full potential and to try new things. I have also gained more confidence on stage and in the studio.

Evyn Ringena

My name is Evyn Ringena, I'm 18 years old and I recently graduated from Waukee Northwest. I have been dancing for 15 years and I

plan on going to Iowa State to major in Healthcare Management on the pre-dentistry track.

My favorite iD memories are all the funny times I've had with my friends and when I learned that 2 negatives did NOT equal a positive. I've learned so much being a part of iD. The two biggest things I learned from iD is teamwork and resilience. I have loved this place for so long and it's a huge part of who I am! I may be done dancing but everything I've learned from dance and all the memories I've made will stay with me forever.

Avery Uitenbroek

My name is Avery Uitenbroek, and I am 18 years old. I graduated from Johnston High School, and I have been dancing at Inspiring Dance for 15 years. After high school, my plans are to attend the CLI Conservatory in Southampton, Massachusetts in their pre-professional dance training program with hopes to dance professionally in my future.

My favorite iD memory would have to be Halloween on the Hill when we did the Wednesday Adams dance! Something I have learned from being a part of Team iD is how to lead myself and dance with pure authenticity. Being a part of this team has taught me to unapologetically be myself and share my passion with those around me. Just call me Britney.

"The rule is you have to dance a little bit in the morning before you leave the house because it changes the way you walk out in the world." Sandra Bullock

Congratulations on another great dance year! We are so proud and love you Cora! Mom, Dad, Dawson, Uncle Ethan, Grandma and Yaya

We are so proud of you as a dancer, granddaughter, friend, helper and most of all for the beautiful person you are inside and out! Your passion and joy shine through when you dance. A note from Alex

One decade. 10 years. The past 10 years I have held hundreds of dancers' hands as they headed backstage, pinned hundreds of costumes in place, and helped with dozens of eye lashes. I've watched with pride from the wings, been a part of the chaos in the dressing room and spent hours in the studio choreographing and rehearsing. Words fail as I attempt to put into words what being a teacher at Inspiring Dance means to me; what you all mean to me.

Inspiring Dance is a special place. One that feels like home to so many, including myself. Around every turn and every part of my life the last 10 years, I have felt supported by so many of you. For every joy, every hardship and everything in between, this community has been my constant and my foundation. I cannot thank you all enough for being a part of it and most importantly, letting me be a part of it.

Being a dance teacher has been one of the highest honors of my life. I've grown up beside many of these kids and being a part of their lives is not something that I take lightly. I have expected a lot from them, I have pushed them to see their own potential and I have taught them a few dance moves along the way. But my biggest hope is that I have shown them that regardless of any of the dance moves, they belong here and they are so loved.

To the parents and families, thank you for sharing your dancers with me. Thank you for trusting me to lead and teach them, and for allowing me to be a part of their journey. Thanks for every email and every red bull or hyper on long weeks/weekends. Thanks for laughing with me, celebrating with me and always supporting me- even when I send too many emails, or not enough.

To my coworkers, thank you for showing up for me. On birthdays, at weddings, or the occasional karaoke night, you have truly become my best friends. I will miss our convention weekend sleepovers and the happy delirium of competition Sundays. But if there's one thing I know, it's that the friends you make at dance are forever, and this is no exception.

To Jacque, thank you for putting me on JV Dance Team- a moment that changed the trajectory of my life completely. Without it, we wouldn't be here. We would have missed the countless Food Depot runs, the tears from laughing too hard, and the ebb and flow of all the seasons in between. You were my coach, then my mentor, then my best friend. And I hope you know how much you mean to this community and to me. Thank you for everything, truly.

And lastly, to the dancers. Thank you for trusting me and letting me be a part of your lives. Thank you for your hugs, your quiet thank yous and your heartfelt hellos. You have been the best part of the late nights and my only motivation for the early mornings, and I will miss you all so dearly. I am forever proud of the dancers and humans that you are, and so grateful for the time and dance moves we have shared. You'll always be my favorite students.

Thank you, love you, see you soon.
